REVIEWS

"Chris Bertish is always totally committed to the various extreme challenges he assigns himself, and does them in full support of other people's needs. I've watched in awe for a number of years as Chris selflessly uses his time and skills to bring awareness to various causes dear to him and many others."

Kelly Slater - 11x Surfing World Champion

'There is a fine line between remarkable and crazy. Read this book to find out which side of the line Chris is on and how you can be on that side too.'

Guy Kawasaki - Author, host of the Remarkable People podcast
